August 2017

Dear Parent/Guardian,

As the summer comes to an end and the excitement for the opening of school begins to build, I wanted to take this opportunity to share a few things with all of you. I hope that you had many days full of relaxation and joy with your families. At my house, we enjoy the time to sit on the porch, linger after breakfast, spend days in the pool or at the beach, and, of course, spend time at the ball field.

Our custodians have been working hard to get the school clean and ready for your children's arrival. The teachers have been taking special care to set up the classes to make sure they are ready for learning. Everyone is looking forward to seeing the new kindergarteners and welcoming back the students who we know have grown so much over the summer!

Our school is a wonderful place because we all work together in many different ways. I encourage you to support your child and our school in the following ways:

- *Join the PTA*
- *Check our website and read our newsletter*
- *Help to organize your child each day so that you see how they are doing*
- *Keep in touch with the classroom teacher*

The ***First Day of School*** for students is ***Wednesday, September 6, 2017.***

"Meet the Teacher Night" is ***Tuesday, September 26, 2017 at 6:30 p.m.***

Enclosed you will find your child's class assignment for the upcoming school year. This placement is a result of considerable thought and attention. Each decision was based on careful reflection and deliberation regarding class combinations, and the best placement of each and every child.

Grade Level Supply Lists are posted on the Website (Virtual Backpack) for your convenience. Also, please note the following additional items to be viewed on the Website.

- ✓ Superintendent's welcome letter
