August 2017

Dear Parents and Guardians,

On July 21, 2016, the Governor signed Chapter 105 of the Laws of 2016, which added a new section 409-I to the Education Law to require that each public school post the child abuse hotline number and ensure that it is clearly visible in a location that is readily accessible for students. In addition, we are required to send home annually the attached flyer. If you should have a concern, or require additional information, you may access the Office of Children and Family Services' website at <http://ocfs.ny.gov/main/cps>.

Please know that the staff of East Islip School District always has the best interest of your child's safety in mind.

Sincerely,

A handwritten signature in black ink that reads 'Paul E. Manzo'. The signature is written in a cursive style with a large initial 'P'.
