Where do my Membership Dollars Go?

\$4.00 of the membership fee goes directly to the National, New York State and Suffolk Region PTAs. These organizations represent us before various government bodies and other organizations that make decisions affecting our children. These funds allow us to be part of these advocacy groups and their work on behalf of the health, welfare, and education of our children. The remaining funds our operating expenses and activities such as Cultural Arts, Beautification, PARP, Reflections, Talent Show, and the numerous Committees which are part of your CES PTA. Our primary fundraising is held in in September to help offset the cost of these programs.
