November 29, 2017

Dear Students and Parents of East Islip High School:

Although it is only November, at East Islip High School, we are already looking ahead and scheduling our students for the 2018-2019 school year. As we did last year, our students will be making their course requests online. The school counselors will be working with parents and students through mid-March to complete course recommendations for the upcoming school year.

The portal will open for students to make their course selections on or about Friday, January 5, 2018. More detailed information about the actual course selection process, will be posted in the Virtual Backpack once the window opens.

All High School children have student portal accounts. It is imperative that they log into their account prior to **Friday, January 5, 2018**, to ensure that they can access the system. Students who are unable to log into their account must see their school counselor for assistance.

To keep you informed about the scheduling process, please make note of the following dates:

**January 4<sup>th</sup>** – Curriculum Presentation at the HS from 7:00 – 8:00 PM

**January 5<sup>th</sup> through January 22<sup>nd</sup>** – Portal will open for students and parents to choose electives courses.

**February 5<sup>th</sup> through March 16<sup>th</sup>** – **Counselors will meet with students to complete their course requests.** Parents are invited to schedule a meeting with their child's school counselor to review course selections for the 2018-2019 school year.

We look forward to meeting with you in order to ensure that our students are being scheduled for a rigorous program leading to the best diploma possible. If at any time, you have questions or concerns, please do not hesitate to call.

Sincerely,

William J. Brennen  
Principal
