April 24, 2018

Dear Parents and Guardians:

The New York State Education Department (NYSED) has selected our school to participate in the New York State Field Testing Program. The field test will be administered during a regular school day and will take approximately 40 minutes to complete.

NYSED has implemented the field testing of questions in schools throughout our state in order to ensure the validity, reliability and equity of the New York State Testing Program.

Please be advised that our students will be completing the field test in the area of:

**Algebra II, Earth Science and Chemistry**

**On May 25, 2018**

This field test will not have an impact on your child's class grade nor will this test be scored by our staff. However, it is important that your child do their best to contribute to the integrity of this process.

Thanking you in advance for your cooperation.

Sincerely,

William Brennan  
Principal
