June 2018

Dear Parents and/or Guardians of K-5 Students,

In continuing our efforts to promote the use of the parent portal and maintain open and regular communication with parents, we will be posting Grade 1-5 elementary class placements for the 2018-2019 school year on the parent portal on August 29, 2018. However, incoming kindergarten students will be receiving a placement letter in the mail, and information to establish parent portal accounts for those students will be forthcoming.

As you are aware, the parent portal is an online tool that enables parents/guardians to monitor and assist with the progress of their child's educational growth.

If you are having difficulty with your parent portal account, please email parentportal@eischools.org for assistance.

All other "Welcome Back to School" information will be available in the Virtual Backpack of your child's school in late August.

Sincerely,

A handwritten signature in black ink that reads 'Paul E. Manzo'.

Paul E. Manzo
Assistant Superintendent for Instruction & Personnel
