

A Welcome Message from the PTA President...

Greetings! This is my first welcome letter as the incoming MS PTA President and I am very excited about the school year! First, I want to warmly welcome all new incoming 6th grade students to EIMS. It's my oldest daughter's first year in the middle school and I am excited to watch her experience this next step. Time really does fly by! It seems like yesterday we were worrying about new kindergarten teachers, school supply lists and wondering how our babies would get by all day without us. All of those concerns were soon washed away as we became part of one the best communities of families, teachers and staff on all of Long Island. I would also like to give a big "Welcome Back" to the 7th and 8th grade students. I hope everyone had a wonderful and relaxing summer.

Please join the EIMS PTA 2018-2019 Board in welcoming Mr. Brennen as Principal. We are excited to have him here and look forward to working together to make this a fantastic year for students!

The EIMS PTA is an integral part of the East Islip community. We host fun events during the school year and provide funds for cultural arts events and other student activities. This takes the hard work and dedication of our parents and community members. Each one of us has different skills, talents, and resources that are pivotal in making this year a success for our students. For some, it is heading up or joining a committee that comes up with new and exciting after school events for students. For others, it's simply volunteering an hour or two at the tile paint night or another event. Even 1 hour of time is worth so much. Please get involved and meet your fellow EIMS parents. You will not regret it!

Please join us on September 27th at 7pm in the library for our first PTA meeting of the 2018-2019 year. We look forward to meeting you there!

Sincerely,

Kelly Schumacher, PTA President
