May 8, 2019

Dear 8th Grade Parents:

Believe it or not, your time at the Middle School is almost complete. Before you know it, your children will be entering High School and beginning a whole new academic adventure. However, before they go, we have a couple of activities to help celebrate the time they have spent here at East Islip Middle School.

On Monday, June 24th we will host two exciting events for both our students and parents. The first is our annual Backyard Bash which will take place from 9:50 AM to 11:15 AM. This is an activity for students only. The second event is our first annual Moving Up/8th Grade Awards Ceremony. This ceremony will take place on Monday, June 24th at 7:00 PM in the High School Auditorium. Due to seating limitations, each student will be provided with four tickets for the ceremony. On the day that tickets are distributed, a call will go home informing parents, so that you can retrieve the tickets from your child. We are very excited to host this new ceremony which will commemorate the milestone of completing Middle School and moving up to High School.

As the end-of-the year approaches, I would like to remind the students that this is not the time to cruise. It is the time to finish strong, work hard and make us all proud!

We look forward to celebrating the success of your children, with you and them, on Monday, June 24th.

Sincerely,

A handwritten signature in cursive script that reads 'William Brennen'.
