Dignity Act for Secondary Students

New York State Lawmakers believe it is essential to treat everyone with respect and civility at all times. They have passed a law, called "The Dignity Act," which is meant to help all students know how they should treat one another, both in school and in the community and what kind of behaviors will not be allowed.

The Dignity Act States that NO student shall be subjected to harassment or discrimination by employees or students on school property or at a school function based on their actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex.

Bullying *usually* occurs when someone uses power over another person and it *usually* occurs repeatedly. There are different types of bullying:
Verbal Bullying-can include name calling & teasing.
Physical Bullying-can include hitting, kicking, & pushing.
Social Bullying-can include exclusion & rumor spreading.
Cyber bullying-is when people show any kind of bullying behavior using technology to harass or intimidate (computer, cell phones, iPods, etc.)

We hope that everyone will follow our Student Responsibilities. However, if someone forgets, we have consequences from our Code of Conduct in place in order to make sure everyone feels safe and comfortable and that our students are caring citizens.

CODE OF CONDUCT

East Islip students are an important part of our school community. They have the right to come to school with the expectation that they will be in a safe environment. School is a place where students come to learn in order to build a sound foundation as they become responsible and knowledgeable citizens. To feel comfortable in school we must show respect and caring attitudes towards all members of our school community. This is accomplished by showing caring, understanding, inclusive, and upstanding behaviors. Therefore, in order to maintain an orderly and inviting learning environment, students are expected to follow the rules outlined in the Code of Conduct.

For a complete and comprehensive copy of the East Islip School District Code of Conduct, please visit the East Islip District website at www.eischools.org
