

Dear EIMS Families,

On behalf of the East Islip Middle School PTA, I would like to welcome back all returning families and extend a warm welcome to all our new families. Coming off a great year end last year I am looking forward to making this year an incredible 2021-2022 memorable school year. It is through the support of families, teachers, and community members that we are successful in our pursuit to enhance the educational experience for all students at EIMS.

I am excited to continue supporting our wonderful school district by serving as your President. My board and I look forward to working alongside each of you in the year ahead.

Please contact me with any questions or concerns sforay@allstate.com

Best wishes for a happy and successful school year from the PTA!

Sincerely,
Steve Foray
